

Fathers Absence - Attitudes

Over the past four decades, fatherlessness has emerged as one of our greatest social problems.

- George W. Bush, speaking at the National Fatherhood Initiatives 4th Annual Summit, Washington D.C., June 7th 2007

-
- **7 of 10** adults believe a child needs a home with both a father and a mother...to be happy
 - A 1996 Gallup Poll estimated that **90%** of Americans feel “it is important for children to live in a home with both parents.”
