

About Stu Weber

Over a decade ago, I read Stu's book, "Four Pillars of a Man's Heart". As part of a series in the Promise Keeper's movement, this book offered some spiritual guidance on "Making of a Man". Other books by Stu include: "Tender Warrior: God's Intention for Man"; "Tender Warrior: Every Man's Purpose, Every Woman's Dream, Every Child's Hope"; and "Locking Arms: Strength in Character through Friendship"; "Along the Road to Manhood: Collected Wisdom for the Journey"; "Spirit Warriors: A Soldier Looks at Spiritual Warfare"; and still others on the similar theme.

Stu Weber is Senior Pastor of Good Shepherd Community Church. The best-selling author of numerous books (see above), Stu serves on the governing boards of several regional, national, and international ministry organizations and maintains a consistent ministry to the U.S. Military community.

In his past life, Stu was commissioned through Army ROTC at Wheaton College. As an U.S. Army veteran, Stu was awarded three bronze stars as a Green Beret in Vietnam. It was there in the trauma and uncertainty of war, that Stu committed himself without reservation to Christ.

I have had the benefit of reading at least one of his books (as noted above); and consequently, will revisit his works in the coming months as a supplement to the "Making of a Man"
