Sandy,

A couple of weeks ago, I stopped by and spoke with you about my son, Matt, who is a senior at Nease High School, St. Augustine, FL. You may recall that he plays the French horn and will be traveling with Teal Sound this summer.

As we discussed, he may be interested in attending JSU in the fall and would like some information on the Southerners. His address is:

Matthew K. Rainer
936 Weybridge Lane
St. Augustine, FL 32081-7060

Thank you. I'll keep you posted on his interest and any possibility of the February and March events.
